

Notice of the 'Inu Atsume VR' Press Release

Hit-Point Co., Ltd. will release the game Inu Atsume VR for Meta Quest in the winter of 2025.

●What is *Inu Atsume VR*?

A Must-Play for Dog Lovers!

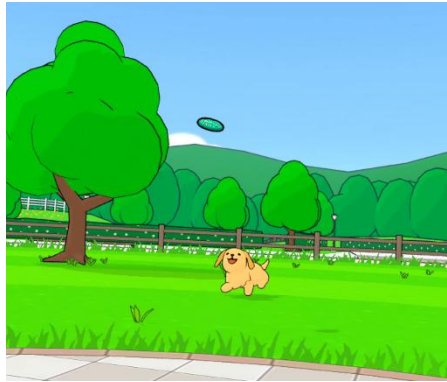

The Ultimate Healing Experience in VR & MR!

Inu Atsume VR brings adorable dogs right before your eyes, letting you pet, play, train tricks, and take photos in an immersive pet-life experience.

Enjoy heartwarming daily life with lovable dogs that will melt your stress away.

▼Game Features

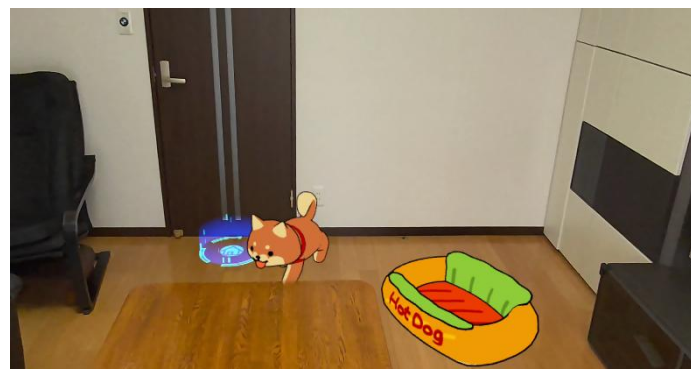

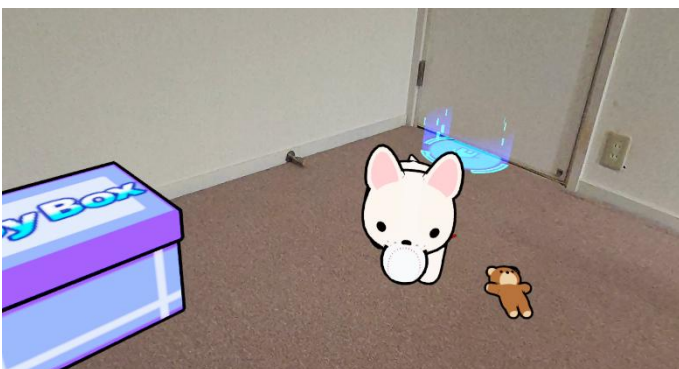

- Meet your future companion among 18 different dogs in the lively square!
- Call your dog, use treats and toys to build trust, and strengthen your bond.
- Collect and organize your dogs in the Dog Encyclopedia & Photo Album—perfect for completionists!
- Enjoy the excitement of disc throwing with smooth and dynamic gameplay!
- Compete in three types of Dog Contests and let your dog shine!
- With daily login bonuses and an in-game shop, the more you play, the livelier it gets!

▼MR Support

With Mixed Reality functionality, your dogs can appear in your real-world room!

Watch them lie down in your living room, chase balls around, and enjoy the joy of living together as if they were truly by your side.

▼Recommended For

- Those who love dogs but can't have one in real life
- Anyone seeking pure relaxation and healing
- Players who want to experience the seamless fusion of reality and virtual life through MR
